

STRAIGHT MODEL-X

DISCHARGE MODEL-X

TOP CASE MODEL-X

LINE MODEL - X

Top case

Capacity: 44 e 58 liters

Sizes:
44 liters: 405 x 395 x h310 mm
58 liters: 535 x 395 x h310 mm

Opening: lateral

Body color: Black and Grey
Corner color: choose between Black, Orange, Red and blue

Fixed to the bike:
 The top case is with fast release through a push block. The hooking of the top case to the plate happens with a simple push with relative pressure on the plate to fix the top case. The top case Model- x to be hooked to the bike needs the Mytech plate or the original Moto Guzzi V85TT plate.

Material
Lid and Bottom: aluminium

Hinges: stainless steel 2 mm
Profile: extruded aluminum with double gasket

Treatment: powder coating

Customisation:
 Both the top case and the panniers model-X are available in black and grey and you can choose the color of the corners and of the cover. If you change the color of your motorbike you can only change the corners and it will seem like you've changed the luggage itself. Bottom and lid molded and drawn in a single piece, the body instead is fixed with stainless steel rivets to make it perfectly waterproof/watertight.

Accessories inherent to the top case:
 You can combine both the pannier kit and the top case to give an extra touch to your motorbike. Possibility to apply the bottle and the backrest (TC00S3) on the top case to make the journey of the second passenger more comfortable.

Side Panniers

Capacity:
large: 41-48 liters
Small: 32-39 liters

Sizes:
Large straight pannier: 481.5 x 289 x 391.3 mm
Large discharged pannier : 481.5 x 289 x 391.3 mm
Small straight pannier: 481.5 x 245 x 391.3 mm
Small discharged pannier: 481.5 x 245 x 391.3 mm

Opening : top
Body color: Black or Grey
Corner color: choose between black, orange, red and blue

Fixed to the motorbike:
 The pannier has a fast release. Fixing is done through a push and block. The pannier Model-x needs the fixing frame Mytech to be hooked to the motorbike

Material
Bottom and lid: aluminium
Hinges: stainless steel 2 mm
Profile: extruded aluminum with double gasket

Treatment: powder coating

Customisation:
 They are available in black and gray and you can choose the color of the corners and the cover. If you change the color of your motorbike you can change only the corners and it will seem to you like you've changed the luggage itself. Bottom and lid molded and drawn in a single piece, the body instead is fixed with stainless steel rivets to make it perfectly waterproof/watertight.

Accessories inherent:
 You can combine both the pannier kit and the top case to give an extra touch to your motorbike. Possibility to apply the tank (TNK200) and the tank holder (BMW413).
