Il Top case Light, con coperchio in ABS è un giusto compromesso se non si vuole un prodotto totalmente in alluminio. Con una capacità di 60 litri può contenere fino a due caschi integrali o modulari. È disponibile in nero con apertura frontale.

The Mytech rear Top case model Light is a good compromise if you do not want to opt for a Top case totally in aluminum. With a capacity of 60 liters, it can hold up to two full-face or modular helmets. The top box is available in black with front opening.
